the girl night fury

you had just got attacked by a monstrous nightmare your running through the forest of the island of berk one of your legs re bleeding and you can't fly because the nightmare broke your left wing anyway your running you start getting dizzy you fall over then you hear a voice before you black out the voice says " oh my a hurt night fury we need to get it help" you black out. when you wake up you see another night fury looking at you you ask in dragon "where am i?" he then answers " your in berd village you wing was broke me and my rider brought you here to fix it" you reply "oh" then the other night fury says" oh by the way my name is toothless whats yours" you say "my name is (y/n) " he then says "hello (y/n)" you smile at him the get up to look around you push the door open and stare in shock seeing the dragons with the humans on their backs and them helping the humans willingly you just manage to say "wow" you slowly walk outside and see a human come near you. you growl a little before you sense he isn't a threat then you stop growling and smile at him the holds out his hand you and you put you (s/c) head to his hand he moves his hand and he hands you a fish to eat you eat the fish whole then lay down on the grass to the side the night fury named toothless comes and lays beside you you blush slightly and then he grins at you
